The table below shows the following relationships: How each student learning outcomes will be practiced and assessed in the course.

## **Course Requirements / Due Dates**

- 1. Case Briefs are due at the end of the class period on the day the case is discussed. In class work may be assigned. Late case briefs or in class assignments may not be made up and will not be accepted, without university excuse.
- 2. Homework assignments are due on the date indicated in the assignment. Late assignments may not be made up and will not be accepted, without university excuse.
- 3. Exam 1 will take place on March 3, 2016.
- 4. Final exam for Section 101 will take place on Thursday, May 5, 2016 @ 12:45 pm.

## **Grading Policy**

Exam 1 - 100 points	90-100% = A
Exam 2 (Final) – 100 points	80-89% = B
Case Briefs – 100 points	70-79% = C
Homework, in class assignments, participation – up to 100 points	60-69% = D
TOTAL POINTS POSSIBLE – up to 400	Below 60% = F

Graduate students will be required to complete an additional assignment, agreed upon between the student and the instructor, worth an additional 100 points, resulting in up to 500 points possible for graduate students.

Once assignments/exams are returned to students, it is the responsibility of the students to maintain those documents in case there is a discrepancy between my grade book and your actual grade. Please maintain your graded papers until you receive your final grade.

#### Academic Dishonesty

All students must be familiar with the university's policy concerning academic dishonesty. Academic dishonesty includes cheating, fabrication and falsification of data or information, plagiarism, bribes/favors/ threats, and complicity with any of these activities. Students who violate this policy face sanctions included in the Academic Dishonesty Policy, including lowering of a grade on an assignment, lowering of a final grade, or failing the course.

#### **Attendance Policy**

Attendance will be recorded daily. Poor attendance will have an adverse effect on your class participation because **you can't participate if you're not here!** For classes that meet twice per week 7.5 points are taken off for each unexcused absence (classes meeting three times are 5 points each). These points are deducted from a total possible 100 points. Unexcused absences are those that do not fall into the list of excused categories identified in the university catalog: (1) university sponsored activities; (2) absences as a result of personal illness or a death in the family; and (3) absences resulting from major religious holidays. For a more detailed explanation of these categories, please see the undergraduate catalog under the heading of "Class Attendance." All excused absences must be presented to the professor with proper documentation. **No** *excuses will be accepted after the class period immediately following the class that was missed.* 

If you miss an exam with no legitimate documented excuse, a zero will be given for that test with no make-up test. If you are ill or know in advance that you will miss an exam for a legitimate excuse, you (or your representative) must notify me **<u>BEFORE</u>** the scheduled exam time (if I am not notified before the exam, you will be given a zero regardless of the excuse). For those students who do contact me and have a legitimate excuse (as defined in the preceding paragraph), an alternative time to take the exam will be determined. The format of the make-up exams will be left to my discretion. In addition, students who are late on exam day will not be permitted to take the exam if another student(s) has already completed the exam and has left the classroom; the exam in this case has been compromised. In other words, you will **NOT** be able to take the exam.

There are no make-ups for pop quizzes or in-class assignments with or without an excuse; however, if a valid

documented excuse is presented [and accepted by the professor] the score will be waived, but it is the student's responsibility to notify the professor regarding a missed quiz (i.e., "I will not hunt you down"). Also, as stated previously, no excuses will be accepted after the class period immediately following the class that was missed.

#### **Classroom Rules**

- 1. Be on time.
- 2. Be prepared.
- 3. Respect each other.
- 4. Never, ever cheat.
- 5. Put your cell phones away. This includes earphones.
- 6. Do not sleep in my class.

Violation of any of these rules will result in you being asked to leave the classroom for the remainder of the class period.

#### Assignments:

GENERAL INSTRUCTIONS FOR ASSIGNMENTS: Assignments are due as we cover the material in class (just like your case briefs). Late assignments will not be accepted, unless the student misses class due to a University excused absence. Unless otherwise noted, assignments should be typewritten, in 12 font, with 1 inch margins, and double spaced on 8½ by 11" white paper and should be approximately one page in length. Please be sure your name and the assignment number are in the upper right hand corner of your assignment.

Assignment # 1:	Compare and contrast the physical crime and the computer crime described on pp. 3-4 of your textbook. What, if anything, changes from the physical crime to the computer crime?
Assignment # 2:	Provide a reason (or reasons) to punish the offenders described in Problem 1 and Problem 2 on pp. 9-10 of your textbook. You may refer to the theories of punishment described on pp. 8-9, or other valid theories of punishment. Explain your reasoning.
Assignment # 3:	Review the provisions of 18 U.S.C. § 1030, starting on pp. 6-9 of the text supplement, and list the crimes defined in that section of the federal criminal code. You do not need to include the definitions of those crimes.
Assignment # 4:	Respond to the hypothetical cases described in note 3 on p. 130 of your textbook and explain your response.
Assignment # 5:	Answer the question contained in note # 3 on page 324 of your textbook and explain your answer.
Assignment # 6:	Read the excerpt of the Law Review article contained in your textbook on pp. 328-330. Then respond to the question contained in note # 2 on p. 331 of your textbook and explain your answer.
Assignment # 7:	Answer the question contained in note # 4 on p. 364 of your textbook and explain your answer.
Assignment # 8:	Answer the questions contained in note # 6 on pp. 429-430 of your textbook and explain your answers.
Assignment # 9:	Read the attached fact situation. Then, describe the premises to be searched.
Assignment # 10:	Read the attached fact situation. Then, describe the property to be seized.
Assignment # 11:	Answer the question contained in note # 5 on pp. 598 of your textbook and explain your answer.

- Assignment # 12: Respond to the hypothetical situation and questions contained in note in # 5 on pp. 617-618 of your textbook.
- Assignment # 13: Answer the questions contained in note # 11 on p. 671 of your textbook and explain your answer.
- Assignment # 14: Consider whether the investigations described in Problems 1, 2, and 3 on pp. 671-673 of your textbook violated any statutory privacy laws or the Fourth Amendment.

## Introduction of Affiant

## Summary of Case

Beginning in approximately mid-December, 2012, the Smallville Police Department (SPD) has noticed an increase in the number of burglaries where high technology items have been stolen. The following burglaries in the city of Smallville have been reported to SPD:

.

Date/ Time	<u>Address</u>	Items Reported Stole
12/14/03 0400	123 Pine St	Desktop computer, DVD
		writer, software
12/16/03 2330	201A Spruce St.	Notebook computer, personal
		digital assistant
12/17/03 1735	112 Maple Ave.	Desktop computer, digital
		camera
12/20/03 0800	425 Poplar St.	2 desktop computers, 1
		notebook, 2 digital cameras
12/24/03 0100	156 Main St.	3 Personal digital assistants, 3
		desktop and 2 notebook
		computers

On December 18, 2012, your affiant Det. Jones, was assigned to conduct an investigation into this series of thefts. The following investigation was conducted by your affiant, within the City of Smallville, except where noted.

## Probable Cause Statement

Between December 18 and December 30, 2012 your affiant contacted each of the reporting parties involved in the above listed thefts. Each victim provided a list of the items stolen and, where possible, a more exact description and serial number. Each was interviewed concerning possible connections to the other thefts. Four of the victims recalled either purchasing at least one item from Smallville Computer Sales (SCS) located at 250 Main St. Smallville, PA.

On or about January 1, 2013, Detective Wallace, SPD, contacted a confidential source of proven reliability, hereafter referred to as "CS1". CS1 advised as follows:

An individual known to CS1 as Roger Marks, has described a way in which CS1 could obtain a computer at a very good discount. Marks suggested to CS1 that he go onto E-Bay, an Internet online auction site and look for items being sold by an E-bay user named "marko13". If CS1 would tell Marks what items he wanted, CS1 could make sure that "marko 13" had it in stock. A very short deadline for bidding would be set and CS1 could likely get the merchandise for "pennies on the dollar". Marks said that he could

guarantee the quality and price of the merchandise purchased online and that "everybody would be protected" by such a purchase arrangement.

Between January 2 and January 10<sup>th</sup>, 2013, CS1, with the approval of the District Attorney's Office, purchased a Sony digital camera from "marko 13". The camera was received via UPS the following day.

Your affiant and Detective Wallace were present when CS1 opened the package received from "marko 13". It contained a Sony Mavica camera, serial number 23460001. This camera matched the description and serial number of a camera stolen from 112 Maple St. on December 17, 2012.

On December 11, 2012, your affiant served, via facsimile, a subpoena upon E-Bay. This subpoena requested subscriber information concerning the identity of user "marko 13". In response to this subpoena, E-Bay advised that "marko 13" provided the following information when he registered as an E-Bay user:

Name:	Roger Marks
Address:	256 Railroad Ave.
	Smallville, PA
Credit Card:	5555 4444 3455 9999
Email address:	marko13@aol.com

E-Bay also advised that they maintain a listing of items sold by vendors on E-Bay and would make that available upon receiving a subpoena or search warrant.

On December 11, 2012, your affiant served, via facsimile, a subpoena upon America Online for subscriber information concerning <u>marko13@aol.com</u>. The information provided was identical with that provided by E-Bay. AOL also provided information concerning the way in which "marko13" was connecting to AOL. All of "marko 13"'s connections were through a single internet protocol (IP address) connection with the address of: 164.201.1.169. This number represents fixed address, similar to that of a street address. This number is assigned to Verizon DSL, Inc.

On January 19, 2012 your affiant served E-Bay with an additional subpoena requesting a listing of property sold and/or listed by "marko 13". A review, by you affiant of the items sold or listed by "marko 13" include items which match all but one of the burglaries listed above and additional computers, digital cameras and personal organizers for which the Smallville Police do not have reports.

On January 19, 2013 your affiant served Verizon DSL with a subpoena concerning the subscriber whose IP address is 164.201.1.169. Verizon advised that that IP address has been assigned to Roger Marks, 256 Railroad Ave., Smallville, PA since June 30, 2012.

On January 18, 2013, your affiant checked the Pennsylvania Department of motor vehicles and verified that Roger Marks, a white, male, DOB XXXX resides at 256 Railroad Ave., Smallville. A further check of utilities confirmed this information.

## Conclusion

Based on the forgoing, your affiant believes that: an individual, whose online identity is "marko 13", is selling items of stolen property in violation of Pennsylvania law, that the identity of "marko 13" is Roger Marks, who has utilized a computer to facilitate the sale of said stolen property, from his home at 256 Railroad Ave., Smallville, PA, and that there is therefore probable cause to search for computers located at 256 Railroad Ave., Smallville, PA.

(Exercise borrowed from Mark Pollett, retired FBI agent.)

**Assignment # 9:** Your Assignment is to provide information that would be used in a search warrant to describe the location of the premises to be seized.

Assignment # 10: Your assignment is to provide a detailed list of the property to be seized.
